

Dear [REDACTED],

2/12/13

My name is [REDACTED] and I am a domestic abuse survivor. I wanted to say thank you to your entire staff of Barrier Free Living. Especially my counselor [REDACTED]. If it wasn't for you guys, I wouldn't have gotten over the bad time in my life. My divorce is finally over and I am going to school and will have a job after that. [REDACTED]

[REDACTED] Keep all the programs going. It sure helped me. At the beginning I just ~~stayed~~ stayed home and cried but I finally pick my ass up and went to counseling. I graduated from the NYC Step

programs just the other week. They gave me a certificate and a little graduation. I got to meet the commissioner of ~~the~~ Domestic Abuse.

I teach my daughters not to take abuse from no man or women.

I changed my destiny forever, and I feel much better. I am free now to make my own choices. It feels great.

Thank You Again Barrier Free Living for giving me back my life. Thank You [REDACTED] for being there when everyone else judged me. Keep the programs going. I survived. (Thank god)
Regards, God Bless You All!!!
