Report on the Financial Statements

We have audited the accompanying consolidated financial statements of Barrier Free Living Holding, Inc. and Subsidiaries, which comprise the statements of financial position at June 30, 2019 and 2018, and the related consolidated statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Barrier Free Living Holding, Inc. and Subsidiaries at June 30, 2019 and 2018, and the changes in its net assets and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The 2019 and 2018 consolidating statements of financial position, consolidating statements of activities, and consolidating statements of functional expenses are presented for purposes of additional analysis and are not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audits of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

Emphasis of Matter

As discussed in Note 2 to the consolidated financial statements, Barrier Free Living Holding, Inc. and Subsidiaries adopted Financial Accounting Standards Board ("FASB") Accounting Standards Update ("ASU") No. 2016-14. Our opinion is not modified with respect to this matter.

Note 2 - Summary of Significant Accounting Policies

Adoption of FASB ASU No. 2016-14 - *Not-for-Profit Entities (Topic 958): Presentation of Financial Statements of Not-for-Profit Entities*

Effective July 1, 2018, the Organization adopted the provisions of Financial Accounting Standards Board ("FASB") Accounting Standards Update ("ASU") No. 2016-14. The ASU provided for changes in financial statement presentation that affect classification of net assets and presentation of expenses. It also provided for enhanced disclosures of net assets, methods used to allocate costs among functions, as well as available resources and liquidity.

The adoption of ASU 2016-14 did not impact the Organization's June 30, 2018 net asset balances.

Principles of Consolidation

All intercompany transactions and balances have been eliminated in these consolidated financial statements.

Basis of Accounting

The accompanying consolidated financial statements are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP").

BARRIER FREE LIVING HOLDING, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2019 AND 2018

Note 2 - Summary of Significant Accounting Policies (cont'd.)

Use of Estimates

The preparation of consolidated financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Fair Value of Financial Instruments

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. To increase the comparability of fair value measurements, a three-tier fair value hierarchy, which prioritizes the inputs used in the valuation methodologies, is as follows:

Level 1 - Valuations based on quoted prices for identical assets and liabilities in active markets.

Level 2 - Valuations based on observable inputs other than quoted prices included in Level 1, such as quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets and liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data.

Level 3 - Valuations based on unobservable inputs reflecting the Organization's own assumptions, consistent with reasonably available assumptions made by other market participants. These valuations require significant judgment.

At June 30, 2019 and 2018, the fair value of the Organization's financial instruments, including cash and cash equivalents, contracts and grants receivable, accounts payable and accrued expenses, accrued salary and vacation payable, and advances from government agencies, approximated book value due to the short maturity of these instruments.

At June 30, 2019 and 2018, the Organization does not have assets or liabilities required to be measured at fair value in accordance with Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 820, *Fair Value Measurement*.

Cash and Cash Equivalents

Cash equivalents include highly liquid investments with initial maturities when acquired of three months or less.

BARRIER FREE LIVING HOLDING, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2019 AND 2018

Note 2 - Summary of Significant Accounting Policies (cont'd.)

Property and Equipment

Property and equipment is recorded at cost. The Organization's policy is to capitalize property and equipment acquisitions over \$5,000, as well as expenditures that increase the life of existing assets. Depreciation and amortization of property and equipment is recorded on a straight-line basis over the estimated useful lives of the assets, which range from 5 to 30 years. Leasehold improvements are amortized on a straight-line basis over the estimated useful life of the improvement or the term of the lease, whichever is less.

Receivables, Advances and Revenue

The Organization records receivables and revenue when earned based on established rates multiplied by the number of units of service provided. Government grants are recorded as revenues without donor restrictions to the extent that expenses have been incurred for the purposes specified by the grantors. To the extent amounts received exceed amounts spent, the Organization defers the amounts as advances from government agencies.

Allowance for Doubtful Accounts

The allowance for doubtful accounts estimate is based on management's assessment of the creditworthiness of its funders, the aged basis of its receivables, as well as current economic conditions and historical information. Receivables are charged to bad debt expense when they are determined to be uncollectible based upon a periodic review of the accounts by management. Factors used to determine whether an allowance should be recorded include the age of the receivable and a review of payments subsequent to year-end. Interest income is not accrued or recorded on accounts receivable. The Organization has determined that an allowance for doubtful accounts for receivables was not necessary at June 30, 2019 and 2018.

Deferred Charges

Deferred charges arise based on the difference between revenue recognized and the expenses reimbursed from the New York State Homeless Housing and Assistance Corporation and the Department of Housing Preservation and Development for the property relating to Freedom House Housing Development Fund Company, Inc. Depreciation is currently recognized annually while reimbursement will not be recognized until future periods. The difference is reflected as a deferred charge on the consolidated balance sheet. The deferred charge is a timing difference, which will accumulate in earlier years and be reversed during later periods.

Note 2 - Summary of Significant Accounting Policies (cont'd.)

Net Assets

Net assets without donor restrictions are assets which have not been restricted by an outside donor or by law are therefore available for use in carrying out the operations of the Organization. Included in net assets without donor restrictions are funds designated by the Organization's Board of Directors. At June 30, 2019 and 2018, board designated net assets of \$483,682 and \$1,048,000, respectively, were available for program expansion and capital reserves. Net assets with donor restrictions include purpose restricted net assets whose use has been restricted by donors to a specific purpose. At June 30, 2019 and 2018, purpose restricted net assets of \$42,266 and \$98,922, respectively, are available to reimburse expenses for educational related training for residents.

Contributions

Unconditional contributions, including promises to give cash and other assets, are reported at fair value at the date the contribution is received. The gifts are reported as without donor restrictions, if they are received without any donor stipulations. Gifts are reported as with donor restrictions, if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, purpose restricted net assets are reclassified as without donor restrictions and reported in the consolidated statement of activities as net assets released from restrictions. Purpose restricted contributions and government contract revenues received and expended in the same fiscal year are reflected as without donor restriction revenues.

In-Kind Contributions

For the years ended June 30, 2019 and 2018, revenues and expenses reflect \$0 and \$255,284, respectively, of donated home health services provided to the Organization's homeless disabled adults residing at the transitional housing facility. The licensed home care agency provides personal care attendants to serve the residents' home care needs. The care attendants are managed by on-site supervisors from the home care agency.

For the years ended June 30, 2019 and 2018, revenues and expenses reflect \$245,385 and \$382,108, respectively, of donated services provided by various social workers and occupational therapists, whose services include providing individual and group counseling, crisis intervention, full cognitive and mental status evaluations, and many other valuable services.

Functional Expenses

The costs of providing the Organization's various programs and other activities have been summarized on a functional basis. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Expenses such as utilities, event expense, rent, program supplies and residents'/children's activities are directly charged to program expenses. Expenses attributable to more than one functional expense category are allocated using a variety of cost allocation techniques including square footage and time and effort.

Accounting for Uncertainty in Income Taxes

The Organization applies the provisions pertaining to uncertain tax provisions (FASB ASC Topic 740) and has determined that there are no material uncertain tax positions that require recognition or disclosure in the consolidated financial statements. The Organization is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Organization believes it is no longer subject to income tax examinations prior to 2016.

Income Taxes

Barrier Free Living Holding, Inc. and its subsidiaries were incorporated as not-for-profit corporations under the laws of the State of New York and are exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and applicable New York State tax laws.

New Accounting Pronouncements

ASU No. 2016-02

In February 2016, the FASB issued ASU No. 2016-02, *Leases (Topic 842)*. This ASU is the result of a joint project of the FASB and the International Accounting Standards Board ("IASB") to increase transparency and comparability among organizations by recognizing lease assets and lease liabilities on the balance sheet and disclosing key information about leasing arrangements for U.S. GAAP and International Financial Reporting Standards ("IFRS"). The guidance in this ASU affects any entity that enters into a lease (as that term is defined in this ASU), with some specified scope exemptions. The guidance in this ASU will supersede FASB ASC Topic 840, *Leases*.

The ASU provides that lessees should recognize lease assets and lease liabilities on the balance sheet for leases previously classified as operating leases that exceed 12 months, including leases existing prior to the effective date of this ASU. It also calls for enhanced leasing arrangement disclosures.

For nonpublic entities, the amendments of ASU No. 2016-02 are effective for annual reporting periods beginning after December 15, 2020, and interim periods within annual periods beginning after December 15, 2021, based on the FASB's vote at its October 16, 2019 meeting to defer the implementation dates by one year. Early application is permitted for all entities.

New Accounting Pronouncements (cont'd.)

ASU No. 2014-09

In May 2014, the FASB issued ASU No. 2014-09, *Revenue from Contracts with Customers (Topic 606)*. This ASU is the result of a joint project of the FASB and the IASB to clarify the principles for recognizing revenue and to develop a common revenue standard for U.S. GAAP and IFRS. The guidance in this ASU affects any entity that either enters into contracts with customers to transfer goods or services or enters into contracts for the transfer of nonfinancial assets unless those contracts are within the scope of other standards.

The ASU provides that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. An entity should apply the following five-step process to recognize revenue:

- Step 1: Identify the contract with a customer.
- Step 2: Identify the performance obligations in the contract.
- Step 3: Determine the transaction price.
- Step 4: Allocate the transaction price to the performance obligations in the contract.
- Step 5: Recognize revenue when (or as) the entity satisfies a performance obligation.

For nonpublic entities, the amendments of ASU No. 2014-09 are effective for annual reporting periods beginning after December 15, 2018, and interim periods within annual periods beginning after December 15, 2019. Early application is permitted under certain circumstances.

The Organization has not yet determined if these ASUs will have a material effect on the consolidated financial statements.

Note 3 - Concentration of Credit Risk

The Organization maintains cash balances in various financial institutions, which balances are insured by the Federal Deposit Insurance Corporation ("FDIC") for up to \$250,000 per institution. From time to time, the Organization's balances may exceed this limit.
